Public Notice - International Selection Procedure
PhD Scientific Researcher Recruitment
FCiências.ID/2018/DL57/MARE/8

FCiências.ID - Associação para a Investigação e Desenvolvimento de Ciências, through its Chairman of the Board of Directors, hereby announces the opening of an international call for the recruitment of a scientific researcher with a PhD degree, within the scope of Project MUSSELFLOW (ref. PTDC/BIA-EVL/29199/2017), in the form of an employment contract with an uncertain term, according to the Portuguese Labour Code and Decree-Law No. 57/2016, of August 29th, as amended by Law No. 57/2017, of July 19th, and complementary legislation.

I - Admission Requirements
Portuguese nationals, foreign and stateless persons may submit applications to this selection procedure, provided they hold a doctoral degree in Biology or akin areas, have specialised skills and/or expertise in the field of Conservation Biology (or associated fields), and fully comply with the following requirements:

a) The PhD must have been granted at least 5 years ago.

b) Demonstrated scientific and/or professional experience in the area of biology and ecology of freshwater mussels.

c) The candidate must also have experience in using captive reproduction techniques for freshwater mussels of the families Margaritiferidae and Unionidae, including juvenile rearing in closed systems, as well as sampling these organisms for tissue collection, morphometric and distribution data.

1 Applicants with doctoral degrees obtained in foreign countries need, in accordance with Decree-Law No. 341/2007, of October 12th, as regulated by Government Order No. 227/2017, of July 25th, to be registered as holders of a doctoral degree, with all inherent entitlements. Applicants to whom, under the terms of Decree-Law No. 283/83, of June 21st, equivalence or recognition of the degree of Doctor has been granted are also valid. The registration/recognition/equivalence request date must be prior to the application deadline and submitted with the documents requested at point X.4.IV of this public notice. The presentation of the registration/recognition/equivalence certificate is mandatory for contract signature.

II. Applicable Law
1. Decree-Law No. 57/2016, of August 29th, in the wording conferred on it by Law No. 57/2017, of July 19th (RJEC), taking also into account the provisions of Regulatory Decree No. 11-A/2017, of December 29th;
2. Portuguese Labour Code, as approved by Law No. 7/2009, of February 12th, in its current version (CT);
3. Administrative Procedure Code, as published in Decree-Law No. 4/2015, of January 7th, in its current version (CPA).

III. Work Plan
The general objectives of the work plan are as follows:

1) Freshwater mussels’ tissue collection for posterior molecular analyses;
2) Mapping of the target populations in the rivers Beça and Vascão;
3) Hydrological study of the target rivers;
4) Support the planning and execution of the hydraulic experiments to determine its effects on freshwater mussels;
5) Support the data analyses for ecological modelling.

The specific objectives include the following:

- To participate in field trips to river in the Douro and Guadiana basins to collect tissue samples from specimens from the populations selected for molecular analyses;
• To participate in field trips to determine the spatial distribution of freshwater mussels in the rivers Beça and Vascão;
• To map the target populations;
• To cooperate in optimizing and applying the infrared technique to study hydraulic patterns in the studied rivers;
• To plan and cooperate in the execution of the hydraulic experiments in flumes;
• To insure the availability of juveniles for the experiments, originating from established reproduction centres (*Margaritifera margaritifera*) or infecting adequate hosts with gloquidia and posterior collection of juveniles (*Unio delphinus*);
• To insure the correct maintenance of juveniles and adults during experiments;
• To participate in the execution of annual reports regarding the work done;
• To participate in team meetings;
• To cooperate in outreach activities.

The proposed work plan is included in tasks tarefas 1 (sampling), 3 (impact of hydraulic conditions), 4 (mapping of populations), 5 (stream hidrological study) and 6 (ecological modelling) of the project MUSSELFLOW - Evolução, ecologia e conservação de mexilhões-de-rio em função dos hospedeiros e sob distintos regimes hidrológicos: consequências das alterações climáticas. - com a referência PTDC/BIA-EVL/29199/2017.

**IV. Composition of the Jury**

In accordance to article 13 of the RJEC, the members of the jury are:

• President – Ricardo Melo (MARE-ULisboa)
• 1st Evaluator – Pedro Anastácio (MARE-UEvora)
• 2nd Evaluator – Carla Sousa Santos (MARE-ISPA)
• 1st Alternate Evaluator – Rui Rosa (MARE-ULisboa)
• 2nd Alternate Evaluator – Joana Robalo (MARE-ISPA)

**V. Place of work**

Work will be developed at the facilities of the Research Center MARE-Centro de Ciências de Mar e do Ambiente, polo da Universidade de Lisboa (MARE-ULisboa), at Campo Grande, Lisboa, Portugal. It also implies field trips to Vila Real and Mértola, as well as to Coimbra to assist the hydraulic experiments included in the work plan.

**VI. Contract Duration**

The full-time employment contract with an uncertain term is expected to start on January 1st, 2019, and will last until the Work Plan referred to in section III is completed. It will have an expected duration of 30 months, with a maximum duration of 6 years.

**VII. Monthly Allowance**

The gross monthly salary entitle is stipulated in clause 1 of article 5 of the Regulatory Decree No. 11-A/2017, of December 29th, corresponding to level 33 of the Consolidated Table of Allowances, as approved by Government Order No. 1553-C/2008, of December 31st, being 2,128.34 Euros, plus holiday and Christmas allowances, as well as food allowance, in value and conditions for workers with a legal relationship of employment under the Labour Code.

**VIII. Evaluation of applications**

1. Failure to comply with the Admission Requirements implies the non-admission of candidates in absolute merit.

2. According to article 5 of the RJEC, the selection of the candidates approved in absolute merit will rely on the evaluation of their scientific and curricular achievements in the last five years,

...
taking into consideration the quality and relevance of the scientific production, and the professional activity indicated as more relevant by the candidate, for the project.

3. The final classification of candidates is given on a scale of 0 to 100%.

4. Evaluation of the relative merit of candidates, will rely on the following criteria:
   a) Participation in relevant scientific projects in the area - 50%;
   b) Scientific publications in the area - 25%
   c) Pedagogical and outreaching activities, in particular in the context of promoting scientific practices, organization of courses, seminars and conferences, in the area - 15 %;
   d) Assessment of the references provided by the candidate - 5 %;
   e) Interview, if deemed necessary by the jury - 5%.

5. The jury may decide to interview the three best ranked [in criteria a) to d) of paragraph 4)] candidates, for clarifications and improved explanations of curricular elements.

6. The jury shall deliberate by means of a roll-call vote based on the evaluation criteria.

7. Minutes of the jury meetings are drawn up, summarizing all relevant elements considered by jury members, as well as their individual votes and justifications.

8. After completion of the evaluation process, the jury will draw up a ranking of successful candidates with their classifications.

9. Hiring will be decided by the Chairman of the Board of Directors of FCIências.ID, based on the final jury recommendation.

10. The evaluation results will be published on the website of the FCIências.ID (“Concursos” tab). The candidates will be individually notified of the evaluation results by e-mail sent to the address indicated in the "Personal Data" section of the submitted form.

11. With the notification referred to in paragraph 10, the hearing phase of interested parties referred to in Article 121 et seq. of the CPA will begin, and last for ten working days.

12. The possible pronouncement of the candidate in a prior hearing must be addressed to the President of the jury and submitted in writing to fciencias.id@fciencias-id.pt. The President of the jury will convene a jury’s meeting to produce the final decision, within thirty working days.

13. Within five working days of the final jury decision, the Board of Directors Chairman of FCIências.ID will approve it and the candidates will be notified.

14. The communication between FCIências.ID and the candidates will be electronic and will comply with the following rules:
   a) At the time of electronic submission of any document - namely in the case of paragraph no 11 - the candidates must generate proof of "sent message".
   b) FCIências.ID will send an email message acknowledging documents received to the email address used by the candidates, within two working days.
   c) In case of absence of a confirmation receipt by FCIências.ID – showing the possibility of technical problems that should neither be the responsibility of the candidate nor FCIências.ID - the candidates should contact FCIências.ID, with the proof referred to in point (a), to ensure delivery and proper receipt of the documents concerned.

**IX. Compliance with public policies**

1. FCIências.ID actively promotes a policy of non-discrimination and equal access, so that no candidate can be privileged, benefited, disadvantaged or deprived of any right or exempt from any duty due to, inter alia, ancestry, age, sex, sexual orientation, marital status, family status,
economic situation, education, social origin or condition, genetic heritage, reduced working capacity, disability, chronic illness, nationality, ethnic origin or race, territory of origin, language, religion, political or ideological beliefs and trade union membership.

2. Under the terms of D.L. No. 29/2001, of February 3, a disabled candidate has a preference in equal classification, which prevails over any other legal preference. Candidates must declare their respective degree of disability, the type of disability and the means of communication / expression to be used in the selection process, under the terms of the above-mentioned diploma.

X. Submission of Applications

1. The present call will be open from 12/11/2018 to 23/11/2018.

2. The application and all the required documents may be submitted in Portuguese or English.

3. Applications will be submitted online, through the electronic platform of FCIências.ID (http://concursos.fciencias-id.pt).

4. On the electronic platform, applicants will complete a mandatory section on Personal Data [name, address, date of birth, contact email, nationality and scientific identifiers] and upload files with the documents listed below:
   i. Detailed curriculum vitae - mandatory;
   ii. A motivation letter clearly demonstrating that the candidate has an adequate profile for the position and fully complies with the Admission Requirements - mandatory;
   iii. Up to five publications relevant for the objectives of the Work Plan - mandatory;
   iv. Digital copies of documents proving formal academic degrees (PhD) and/or other scientific and professional qualifications - original documents must be provided in case of actual recruitment - mandatory;
   v. Other documents that candidates consider relevant for the assessment of their scientific merit, or to declare the personal situation in the cases covered in section IX-2 of this Notice - optional.

5. By decision of the Chairman of the Board of Directors of FCIências.ID, candidates who do not submit the documents identified in paragraph 4 will not be admitted to the call. In case of doubts, the Chairman may also invite candidates to substantiate specific data or statements with official supporting documents, before accepting the candidates’ submission.

This Public Note was approved by the jury on October 25, 2018
