The candidate will have as main responsibilities the following tasks:

1. Provide support in the use of analytical equipment infrastructures that are essential for the research carried out at CQE@CIÊNCIAS, (for example, Atomic Absorption, X-Ray Diffraction, Mass Spectrometry, Spectrofluorimetry, Chromatographies, Nuclear Magnetic Resonance, Atomic Force Microscopy, Calorimetric and Thermal Analysis techniques) and also in the analysis and discussion of results;
2. Training of junior researchers in technologies and systems;
3. Ensure equipment maintenance and fault reporting;
4. Ensuring management tasks related to budget requests for repairs, and analysis of proposals;
5. Preparation of proposals for the acquisition of new equipment;
6. Ensure the provision of services within the scope of protocols between the CQE and external entities;
7. Implement the measures adopted and certified systems by CQE and the Department of Chemistry and Biochemistry at FCUL, regarding the control and minimization of risks and the treatment of wastes.

V. Composition of the Jury

In accordance to article 13 of the RCD, the members of the jury are:

- President - Fernando José Nunes Antunes (University of Lisbon, Faculty of Sciences, Associate Professor with Habilitation);
- 1st Member of the jury - Filomena Elisabete Lopes Martins Elvas Leitão (University of Lisbon, Faculty of Sciences, Assistant Professor);
- 2nd Member of the jury - Researcher Cristina Maria Roque Ramiro de Oliveira (Auxiliary Researcher, University of Lisbon, Faculty of Sciences);
- 1st Alternate Member of the jury - Ana Paula Carvalho (University of Lisbon, Faculty of Sciences, Associate Professor);
- 2nd Alternate Member of the jury - Rodrigo Freire Martins de Almeida (University of Lisbon, Faculty of Sciences, Assistant Professor).

VI. Place of work

Work will be developed at the facilities of Research Center CQE-Ciências – Centro de Química Estrutural, in Campo Grande, Lisboa, Portugal.

VII. Contract Duration

IX. Evaluation of applications

1. Failure to comply with the Admission Requirements implies the non-admission of candidates in absolute merit.
2. According to article 5 of the RCD, the selection of the candidates approved in absolute merit will rely on the evaluation of their scientific and curricular achievements in the last five years, taking into consideration the quality and relevance of the scientific production, and the professional activity indicated as more relevant by the candidate, for the project.
3. Based on the assessment of the candidates' scientific and curricular background in the last five years, each member of the jury presents a justified proposal for admission (final classification equal to or greater than 75%) or exclusion (final classification below 75%) for each candidate, according to the evaluation criteria referred to in paragraph 5.
4. The final classification of candidates is given on a scale of 0 to 100%.
5. Evaluation of the relative merit of candidates, will rely on the following criteria:
 - a) Participation in relevant scientific projects in the area - 30%;
 - b) Scientific publications in the area - 50%;
 - c) Pedagogical and outreach activities, in particular in the context of promoting scientific practices, organization of courses, seminars and conferences, in the area - 10%;
 - d) Assessment of the references provided by the candidate - 10%;
 - e) Interview, if deemed necessary by the jury - 10%.
6. The jury may decide to interview the 5 best ranked candidates [in criteria a) to d) of paragraph 5], for clarifications and improved explanations of curricular elements. If there is an interview, the sum of the classification obtained in the evaluation criteria a) to d) will correspond to 90% of the final classification and the interview will correspond to 10%.
7. The jury shall deliberate by means of a roll-call vote based on the evaluation criteria.
8. Minutes of the jury meetings are drawn up, summarizing all relevant elements considered by jury members, as well as their individual votes and justifications.
9. After completion of the evaluation process, the jury will draw up a ranking of successful candidates with their classifications.
10. Hiring will be decided by the Chairman of the Board of Directors of FCIências.ID, based on the final jury recommendation.
11. The evaluation results will be published on the website of the FCIências.ID ("Concursos" tab). The candidates will be individually notified of the evaluation results by e-mail sent to the address indicated in the "Personal Data" section of the submitted form.
12. With the notification referred to in paragraph 11, the hearing phase of interested parties referred to in Article 121 *et seq.* of the CPA will begin, and last for ten working days.
13. The possible pronouncement of the candidate in a prior hearing must be addressed to the President of the jury and submitted in writing to concursos@fciencias-id.pt. The President of the jury will convene a jury's meeting to produce the final decision, within thirty working days.
14. Within five working days of the final jury decision, the Chairman of the Board of Directors of FCIências.ID will approve it and the candidates will be notified.
15. The communication between FCIências.ID (concursos@fciencias-id.pt) and the candidates will be electronic and will comply with the following rules:
 - a) At the time of electronic submission of any document - namely in the case of paragraph no 13 - the candidates must generate proof of "sent message".
 - b) FCIências.ID will send an email message acknowledging documents received to the email address used by the candidates, within two working days.

- c) In case of absence of a confirmation receipt by FCIências.ID – showing the possibility of technical problems that should neither be the responsibility of the candidate nor FCIências.ID - the candidates should contact FCIências.ID, with the proof referred to in point (a), to ensure delivery and proper receipt of the documents concerned.

X. Compliance with public policies

1. FCIências.ID actively promotes a policy of non-discrimination and equal access, so that no candidate can be privileged, benefited, disadvantaged or deprived of any right or exempt from any duty due to, inter alia, ancestry, age, sex, sexual orientation, marital status, family status, economic situation, education, social origin or condition, genetic heritage, reduced working capacity, disability, chronic illness, nationality, ethnic origin or race, territory of origin, language, religion, political or ideological beliefs and trade union membership.
2. Under the terms of D.L. No. 29/2001, of February 3rd, a disabled candidate has a preference in equal classification, which prevails over any other legal preference.
